Live Test Drives at Lake Eufaula | April 17–19, 2026

Looking for a **boat demo near you?**

Thinking about buying a boat this season and want to experience it on the water first?

The Toons Eufaula On The Water Boat Show is your opportunity to schedule a real, on-water boat test drive at Belle Starr Marina on Lake Eufaula.

For three days only, buyers from Oklahoma, North Texas, Northwest Arkansas, and Southwest Missouri can compare our premium boats with live, scheduled trials in real lake conditions.

This is not a showroom walkthrough.

This is a true on-water demo experience designed for serious buyers.

Reserve your on-water boat demo today.

Why Schedule a Boat Demo Before You Buy?

Buying a boat is not just about features on paper.
It is about how it feels on the water.

An on-water boat demo allows you to:

- Experience real ride quality
- Compare hull performance
- Feel acceleration and handling
- Evaluate layout and family comfort
- Test wake and surf capability (select models)
- Make a confident buying decision

A showroom can show you seating.
Only a lake can show you performance.

That is why more buyers are searching for:

- “boat demo near me”
- “boat test drive Oklahoma”
- “wake boat demo”
- “pontoon test drive”

This event is built specifically for that buyer.

The Largest In-Water Boat Demo Event in the Region

The 2026 Toons Eufaula On The Water Boat Show will feature:

- 20–30 boats represented
- 6–10 boats staged in the water at all times
- Structured demo scheduling
- Dedicated dock staff
- On-site sales and finance support

Buyers will be able to compare:

- Luxury pontoons
- High-performance tritoons
- Wake and surf boats
- Performance family models

Instead of walking from booth to booth, you will move from dock to dock — experiencing real differences in ride quality, power, layout, and comfort.

Boats Available for Live On-Water Demos

This event is designed for buyers who want to test drive before committing.

Depending on availability, demo categories will include:

Pontoon Boat Demos

- Compare ride stability

- Evaluate seating comfort
- Test performance under load
- Understand power options
- Experience handling on open water

Pontoon demos are ideal for:

- First-time buyers
- Families upgrading
- Lake homeowners
- Buyers focused on comfort and cruising

Tritoon Boat Demos

- Increased performance
- Higher horsepower options
- Improved handling
- Watersports capability
- Rough-water ride comparison

Tritoons are ideal for buyers who want both:
Luxury + performance.

Wake Boat & Surf Boat Demos

For performance-focused buyers, select demo slots may feature live rider sessions so you can see:

- Wake size and shape
- Surf wave performance
- Ballast system functionality
- Ride quality at surf speeds

If you are searching for a wake boat demo in Oklahoma or North Texas, this is your opportunity to experience one on real water before making a decision.

Premium demo sessions will be limited and scheduled in advance.

Who Should Book a Boat Demo?

This event is ideal for:

Buyers Planning for the 2026 Season

April is the pre-Memorial Day buying window when inventory selection is strongest.

Families Upgrading to Larger Boats

Test new layouts and performance before committing.

Wake & Surf Buyers

Experience true wave performance on Lake Eufaula.

Buyers Traveling from Oklahoma, Texas, Arkansas, or Missouri This event serves regional buyers looking for a serious test-drive environment. If you are casually browsing, you are welcome.

If you are actively planning a purchase, this event is built for you.

Event Location & Hours

Location:

420146 E. 1158 Checotah Drive,
Checotah, OK 74426.
United States.

Dates:

April 17–19, 2026

Hours:

Friday: 2:00 PM – 7:00 PM

Saturday: 11:00 AM – 7:00 PM

Sunday: 12:00 PM – 5:00 PM

Demo appointments are strongly recommended due to limited in-water capacity.

Financing & Trade-In Support On Site

This is not just a demo event.

Serious buyers can move directly from:

Demo → Pricing → Trade Evaluation → Credit Application

Our team will be available to:

- Review exact stock pricing
- Evaluate trade-in value
- Explain manufacturer rebates

- Assist with financing applications

- Outline next steps clearly

For buyers ready to move forward, the process can begin immediately.

Why April Is the Ideal Time to Buy

April 17–19 sits in the early-season buying window.

Advantages include:

- Strong inventory selection
- Pre-Memorial Day delivery timelines
- Seasonal financing programs
- Avoiding peak summer demand pressure

Many buyers wait until late May or June — when selection tightens and urgency increases.

This event is positioned before that rush.

What Makes This Different from a Traditional Boat Show?

Traditional boat shows are static displays.

This event is dynamic.

Instead of:

Walking on carpet

Looking at staged boats

Leaving with brochures

You will:

Start the engine

Feel the throttle

Test the handling

Experience real conditions

Make a decision with confidence

This is a structured, professional on-water test-drive environment.

How to Reserve Your On-Water Boat Demo

Because only a limited number of boats can be staged in the water at one time, scheduled demo appointments are encouraged.

To reserve your demo:

1. Select the boat category you are interested in
2. Choose your preferred day and time
3. Confirm your appointment
4. Arrive 15 minutes early for check-in

Demo slots will be prioritized for serious buyers.

Frequently Asked Questions

Do I need an appointment?
